On Tuesday 29 March 2022, the Treasurer Josh Frydenberg will hand down the 2022-23 Federal Budget. Will the government cut foreign aid as per the forward estimates, or will it extend its “temporary and targeted” COVID-19 measures?

Join the Development Policy Centre for its tenth (and third virtual) aid budget breakfast. Professor Stephen Howes will bring you the latest analysis from Devpol on what the aid budget means for Australia, for the region and for the development sector.

This webinar is free and open to the public. It will be recorded, and the recording will be made available after the event through the Development Policy Centre website (<https://devpolicy.crawford.anu.edu.au/>).
